February 2010

Dear Friends,

Mercy Home is pleased to announce its "*Partners in Mercy*" honorees for 2010—men who have not only been wonderful friends of Mercy Home, but who are Brooklynites "par excellence." This year Mercy Home honors **Mark Gregorio**, **John Fichera** and **Mike Staub**, owners of **Transel Elevator Inc.**

Mark Gregorio, President, prides himself on hard work and dedication to his family and his company. Standing as a testament to his vision and leadership, Transel is the largest independent elevator company in New York with over 200 employees, many of whom worked side by side with him at other elevator companies. His clients include the most respected developers, property owners and management companies and Transel's portfolio includes some of the most prestigious commercial and residential addresses in New York City. Mark has been an active supporter of Mercy Home's Annual Golf Classic, Cocktail Party and Luncheon.

John Fichera, Executive Vice President for Modernization and Construction. John has held many positions at Transel and prides himself on being the company's first employee. He holds Transel's Agency Director License and is QEI certified. Over the years John has been an active participant in Mercy Home's Annual Golf Classic.

Mike Staub, Executive Vice President for Operations, is responsible for the day to day business operations and oversees several key departments including repairs and maintenance and customer service. Mike holds Transel's Agency Co-Director License, is QEI certified and holds a NYC Department of Buildings Elevator Inspector License. Mike is a great supporter of the annual Cocktail Party.

Since its inception, Transel Elevator Inc., has been active with many charities including their generous support of Mercy Home. They have been partners, indeed!

We hope that you will join us for this event on **Sunday, May 2, 2010 at Russo's on the Bay, Howard Beach, Queens**. We have included journal contracts with this mailing ([deadline April 8, 2010](#)) and invitations will follow shortly. Your support of this event will benefit our children's respite and creative arts programs. If you have any questions, please feel free to contact Sr. Caroline (ext. 21), srcaroline@mercyhomeny.org or Meghann Flynn (ext. 36), at mflynn@mercyhomeny.org.

We thank you in advance for supporting this event.

Gratefully,

Sister Kay Crumlsh, Executive Director
