

BEER & BITES FUNDRAISER

Mercy Home is excited to host BEER & BITES fundraiser and silent auction.

BEER & BITES will be held on Saturday, October 21st in the picturesque and historic courtyard of Mercy Home located in Clinton Hill, Brooklyn. At the event, guests will have the opportunity to sip on the latest offerings from New York and Brooklyn based breweries and restaurants, sample the best fall wine selections from local wine stores and wineries as well as enjoy bite size offerings from Brooklyn caterers and restaurants.

Mercy Home works to ensure that intellectual and developmentally disabled children and adults live full and meaningful lives. Proceeds from the event benefit Mercy Home and our Gifted Artists program which helps adults living in our residences and who are curious about art, participate in weekly classes and projects that harness and cultivate their talent. The program has created lifelong visual artists and photographers.

Guests will be comprised of Mercy Home supporters and friends as well as local business and political leaders and philanthropists. Interested beer, food, and wine vendors may contact Helen Stewart at hstewart@mercyhomeny.org to reserve a table at the event.

Sponsorship and tickets are currently available and can be secured by reaching out to Helen Stewart at hstewart@mercyhomeny.org.
